

# Deltek Talent Management

One solution. One sign-on. One place for all your talent management needs.

## Why Deltek:

- Do you want a one stop HR shop that satisfies all the needs of your organization?
- Do you want excellent and personalized customer service?
- Do you want a configurable solution built specifically for your organization?

Technology is the enabling factor in regards to any successful deployment of a talent management system. Without seamless integration and coordinated solutions for talent management functions, costs skyrocket and user adoptions drop significantly. Deltek strives to eliminate all this, simplifying your experience and offering the most cost effective alternative in the market. Let us, the technology experts, do the heavy lifting.

## Key Features:

- Solutions and functionality are highly configurable by employees, companies, and departments
- All aspects of an employee's career are managed via a single screen
- ONE sign-on gets you access to all systems
- More manageable administration efforts and effortless reporting capabilities
- Reduced implementation time for each subsequently added solution
- Data is updated in real-time throughout the entire solution
- Two click to any main screen regardless of how many solutions are implemented
- We offer FREE automatic upgrades
- Deep relationships with partners such as Monster, Profiles International, etc., to provide additional functionalities
- Operating in over 35 countries and available in over 28 languages

“Deltek has built a truly functional product backed by great support at a fantastic price. In today's climate of glitzy, high-tech applications software with limited support, the straight forward and intuitive product matched with a strong focus on customer service is to be highly recommended.”

**Unified Talent Management**

Deltek’s Talent Management SaaS technology platform provides the only Talent Management solution in the world that enables organizations of all sizes to identify, recruit, develop, motivate, and retain top performers - on the same platform with a single, shared database.

Deltek has spent over a decade building a single technology solution to manage your employee lifecycle, help your organization manage compliance, improve HR efficiencies and maximize the potential of your employees. Deltek’s Talent Management

Solution enables companies of any size to automate and optimize all talent management functions from one secure, reliable, and fast online solution. You don’t have to integrate disparate systems when creating a solution.

Deltek offers you a better choice:  
**Unified.**

Deltek is the leading global provider of enterprise software and information solutions for professional services firms and government contractors. For decades, we have delivered actionable insight that empowers our customers to unlock their business potential. 20,000 organizations and millions of users in over 80 countries around the world rely on Deltek to research and identify opportunities, win new business, recruit and develop talent, optimize resources, streamline operations, and deliver more profitable projects. Deltek – Know more. Do more.®
